

31. Międzynarodowe Targi Stomatologiczne w Krakowie

Wyjście Ewakuacyjne

A diagram of a railway section showing two parallel tracks. A central signal, labeled 'D6', is positioned between the tracks. The signal has a rectangular body with two horizontal bars. The top bar is solid black, and the bottom bar is white with a black outline. The signal is mounted on two vertical posts. The tracks are represented by two horizontal lines, and the ground is indicated by a grey shaded area.
